

Audi A4 Saloon and Avant

See the Drive

The new A4 – unmistakably an Audi with a striking face that's all about dynamics. The eye-catching LED headlights are not just aesthetically impressive but athletically inspiring and technically sophisticated. Innovative technologies bring you the extra comfort and convenience – Audi Advanced Key enables you to unlock the doors automatically with an easy touch on the door handle. The cockpit provides a wealth of information on your coloured MMI monitor at your fingertip convenience. Come and discover its character.

Feel the Drive

A perfect synthesis of comfort and sportiness - the Audi A4 Avant. Its impressive proportions lend it a powerful appearance, the roof line and the shoulder edge fall slightly toward the rear, generating an impression of speed and dynamic performance. And with its impressive length of 4.70 m, it looks elegant and sporty.

Exterior mirrors with integral LED indicator

Audi A4

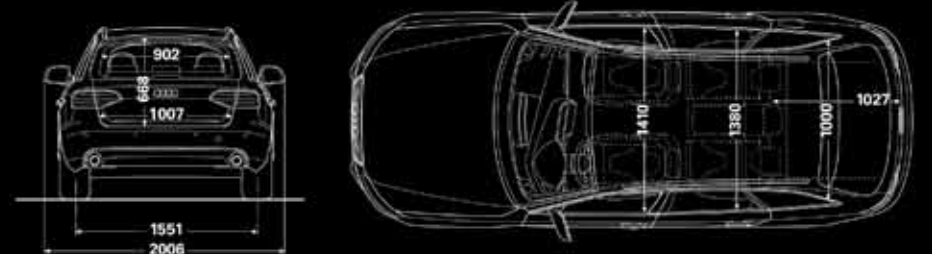

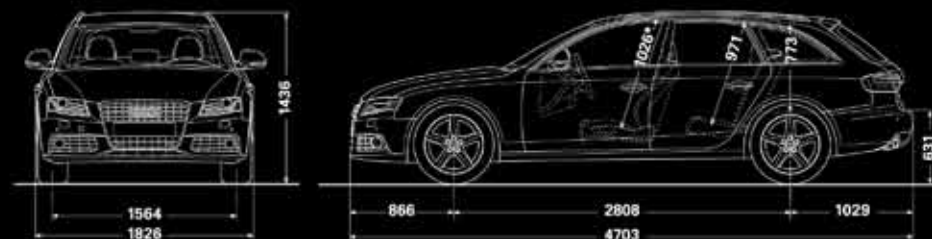

Dimensions in millimetres.

Dimensions were measured with vehicle at unladen weight, ground clearance measured with vehicle carrying its maximum load.
Luggage compartment volume 480/962 litres (measured by the VDA method using 200 x 100 x 50 mm blocks; second value refers to measurement carried out with the rear seat back folded down and the vehicle loaded up to the rear parcel shelf).
Turning circle approx. 11.5 m

*Maximum headroom.

Audi A4 Avant

Dimensions in millimetres.

Dimensions are for vehicle at unladen weight.
Luggage compartment volume 490/1,430 l (measured by the VDA method using 200 x 100 x 50 mm blocks; second value with rear seat back folded down and the vehicle loaded up to roof height).
Turning circle approx. 11.5 m

*Maximum headroom.

Emissions standard	EU4	EU4	EU4	EU4

Notes

1 The figure given was calculated using the specified measuring procedure (current applicable version of Directive 80/1269/EEC).

2 Weight of car, unladen, without driver (calculated in accordance with the current applicable version of Directive 92/21/EEC). Optional equipment may increase the car's unladen weight and its drag coefficient, whereupon the possible payload limit and top speed will be reduced accordingly.

3 The engine's power output always goes down with increasing altitude. At 1,000 m above sea level, and for every additional 1,000 m, deduct 10% from the weight of the outfit (trailer load limit + gross weight of the towing vehicle). Figure for trailer load limit applies to factory-fitted trailer towing hitch. If using the vehicle with a trailer towing hitch for commercial purposes, a digital tachograph may be required under certain conditions.

4 A vehicle's fuel consumption and CO₂ emissions do not just depend on how efficiently the vehicle uses the fuel, but are also influenced by driving behaviour and other non-technical factors. CO₂ is the greenhouse gas primarily responsible for global warming.

5 We recommend using Super unleaded (95 RON). If this is not available, use regular unleaded (91 RON); power output will be slightly reduced.

6 The figures given were calculated using the specified measurement procedure (current applicable version of Directive 80/1268/EEC). The figures do not refer to one individual vehicle and do not form part of any offer, but rather should be used purely for purposes of comparison between the different vehicle models.

Important note

Inspections are due as shown on the service display.

Vorsprung durch Technik www.audi.com.hk

The models and equipment versions illustrated and described in this brochure and some of the services listed are not available in all countries. Some of the cars illustrated are equipped with optional equipment for which an extra charge is made. Details concerning the delivery specifications, appearance, performance, dimensions and weights, fuel consumption and running costs of the vehicle were correct to the best of our knowledge at the time of going to press. Deviations from the colours and shapes shown in the illustrations may occur. No liability is accepted for errors and printing errors. The right to introduce modifications is reserved. Not to be reproduced, including in part, without the written approval of AUDI AG.
